PROFESSIONAL PROFILE

Practical and mechanically minded worker seeking a Solar Farm Labourer position in regional Australia. Demonstrated construction, tool, electrical and safety capabilities transferable to utility-scale solar projects. Hands-on experience with power and hand tools, basic electrical testing, welding and fabrication, pipe installation, concrete mixing, mechanical maintenance and general construction assistance. Currently Brisbane-based with own vehicle, QLD White Card, full Australian work rights, no sponsorship required and available immediately for long shifts, early starts and physically demanding outdoor work.

SOLAR & CONSTRUCTION CAPABILITY

- Power & Hand Tools:** Angle grinders, drills, rotary hammers, cut-off saws, bench drills and common hand tools.
- Basic Electrical:** Multimeters, clamp meters, circuit testing and basic electrical fault finding.
- Construction & Civil Assistance:** Concrete mixing, drilling, cutting, pipe laying and joining, and general construction assistance.
- Welding & Fabrication:** Stick/MMA and TIG welding, grinding, cutting, fitting and basic fabrication.
- Mechanical Maintenance:** Basic vehicle and equipment maintenance, batteries, wheels, tyres and troubleshooting.
- Manual Handling & Outdoor Work:** Comfortable with repetitive physical work, early starts, long shifts and regional outdoor conditions.
- Safety & Teamwork:** Blue Sky Rescue volunteer experience involving procedures, teamwork, emergency response and outdoor conditions.

EDUCATION & TECHNICAL FOUNDATION

Diploma - High-Speed Railway Engineering Technology
Guangdong Communication Polytechnic | 2019-2022

Relevant training: Engineering surveying; CAD and engineering drawings; construction fundamentals; principles of machinery; electrical circuit inspection and troubleshooting.

SAFETY & TEAMWORK

Blue Sky Rescue Team - Volunteer Rescue Member | 2020-Present

Participated in emergency response during the 2021 Zhengzhou floods. Regular training in procedures, emergency response, outdoor safety, teamwork, self-rescue and wilderness survival.

WORK EXPERIENCE

E-commerce Operations & Digital Marketing Supervisor | China | 2022-2026

Managed projects from setup through ongoing operations for European and North American markets, demonstrating independent problem-solving, team coordination and English business communication.

WORK READY

Available immediately for full-time work | Full Australian work rights | No sponsorship required | Available for 10-12 hour shifts, overtime and weekends | Comfortable with early starts and physically demanding outdoor work | Willing to work away from home and relocate throughout regional Australia | Happy to complete drug and alcohol testing | Willing to learn and obtain job-required tickets, licences and certifications.
